Dear Firas Ben Kharrat,

On behalf of the main organizers: Wrocław University of Technology, Poland and Vietnam-Korea Friendship Information Technology College, Da Nang, Vietnam we are very pleased to inform you that your manuscript #234 titled ***Empirical study of Social collaborative filtering algorithm*** has been accepted for ORAL presentation at the 8th Asian Conference on Intelligent Information and Database Systems (ACIIDS 2015) to be held in Da Nang, Vietnam on March 14-16, 2016,
website: http://www.aciids.pwr.edu.pl/ .

The annual Asian Conference on Intelligent Information and Database Systems (ACIIDS) is an international scientific conference for research in the field of intelligent information and database systems. We have received excellent submissions of original research contributions, as well as proposals for workshops, and have organized an internationally respected forum for scientific research in the technologies and applications of intelligent information and database systems.

We expect that above 150 researchers from all over the world will take part in ACIIDS 2016. The ACCIIDS 2016 proceedings will be published in the Springer's prestigious LNAI series.

We look forward to your full participation in the ACIIDS 2016 Conference.
